MCSD:

Application Lifecycle Management

MCSD: Application Lifecycle Management

Solutions Developer

The globally recognized standard for developer excellence

Note This certification will retire on March 31, 2017. When the certification retires, all individuals whose transcripts list this certification as active on or after September 26, 2016, will retain the active status.

Find out about the replacement certification, MCSD: App Builder.

Get recognized for your expertise in managing the entire application development lifecycle.

Earning an MCSD: Application Lifecycle Management certification will qualify you for such jobs as developer, applications engineer, and IT project manager.

| Step | Course Description | Course Code | Exam Code |
|------|---|-------------------------------------|---------------------|
| 1 | Administering Microsoft Visual Studio Team Foundation Server | Free video training | 496 |
| 2 | Software Testing with Visual Studio | 497 | 497 |
| 3 | Delivering Continuous Value with Visual Studio Application Lifecycle Management | Free video training | 498 |

This MCSD certification requires you to show continued ability to perform in your chosen solution area by completing a recertification exam every two years.
